(* Important Notice due to the global pandemic.

As a result of the global pandemic we were keen to publish our 2021 programme sooner than normal in order that those wishing to book for 2021 could do so earlier. We also want to give those whose holiday has been re-arranged from 2020 the opportunity to transfer to alternative holidays that we have provided for you in 2021.

However, we also wanted the flexibility to be able to adapt further should we need to and therefore did not published all our dates, allowing us to add further holidays, as necessary.

We are pleased to that we have now published ALL all the holidays for 2021.

As a result there was no printed flyer in the post in June in order to enable that flexibility but the brochure will be published and sent in the post slightly later than normal, probably in October.

Perfect places to have painting holidays you will never forget

We guarantee you won't want to go home and you will definitely want to come back!
