

Key Details - EU Holidays

All Art Materials provided and included in the price !!!

All art materials are included in the price of the holiday except brushes as these are personal to each painter. This alleviates the need to pack awkward and bulky items in your suitcase.

We have a list of materials available on request so that you know what is available before coming and if you have a preference for a specific colour or a certain accessory like a palette you are advised to bring these.

Of course you are entirely free to bring all your own equipment but at least by knowing that the materials are there you don't need to worry about bringing extra "just in case". Please notify us whether you are bringing your own art materials and what you will need to use from our supplies, e.g. you may just choose to use our paper/panels

What's included?

Prices are inclusive of airport transfers, transport whilst out painting, 7 nights accommodation, Continental breakfast, lunches, soft drinks and 3 course evening meals. Prices also include 5 days tuition, use of chairs, easels, boards, other similar accessories and all art materials but we recommend you bring your own brushes as these are personal to each painter.

Prices exclude flights and travel insurance.

You need to ensure that you have sufficient travel insurance for ALL holidays with us including the UK, Jersey & the EU. We cannot be held responsible for any guest not having sufficient travel insurance for their requirements.

Please see our Covid-19 policy on our covid-19 information page but please note that you need to ensure your travel insurance covers against you getting covid-19, needing to self-isolate or being unable to travel due to covid-19 restrictions or for any other reason.

If a non-painting partner requires car hire we can arrange this direct with a local company.
